INTRODUCTION

This Cookies Policy governs the use of cookies and other tracking technologies on our website, http://evercompliant.com/ ("**Website**"). In this Cookies Policy, we use the term EverCompliant ("**we**", "**us**" and "**our**") to refer to EverCompliant Ltd.

We use cookies and similar files or technologies to automatically collect and store information about your computer, device, and website usage, in order to improve their performance and enhance your user experience. We use the general term "**cookies**" in this policy to refer to these technologies and all such similar technologies that collect information automatically when you are using our Website where this policy is posted. You can find out more about cookies and how to control them in the information below.

If you do not accept the use of these cookies, please disable them using the instructions in this cookie policy or by changing your browser settings so that cookies from this Website cannot be placed on your computer or mobile device.

ⓘ **Important:** disabling cookies on this Website may seriously affect the user experience and other features on the Website, to the point of rendering them useless.

WHAT IS A COOKIE?

Cookies are computer files containing small amounts of information that are downloaded to your computer or mobile device when you visit a website. Cookies can then be sent back to the originating website on each subsequent visit, or to another website that recognizes the cookie. Cookies are widely used in order to make websites work, or to work more efficiently, as well as to provide information to the owners of the website.

Cookies perform lots of different jobs, like letting you navigate between pages efficiently, remembering your preferences, and generally improving the user experience. Cookies may tell us, for example, whether you have visited our website before or whether you are a new visitor.

There are two broad categories of cookies:

- **First party cookies,** served directly by us to your computer or mobile device.

- **Third party cookies,** served by a third party on our behalf. We use third party cookies for functionality, performance / analytics, and social media purposes.

Cookies can remain on your computer or mobile device for different periods of time. Some cookies are 'session cookies', meaning that they exist only while your browser is open. These are deleted automatically once you close your browser. Other cookies are 'permanent cookies', meaning that they survive after your browser is closed. They can be used by websites to recognize your computer when you open your browser and browse the Internet again.

Web Beacons

Cookies are not the only way to recognize or track visitors to a website. We may use other, similar technologies from time to time, like web beacons (sometimes called "tracking pixels" or "clear gifs"). These are small graphic files that contain a unique identifier that enable us to recognize when someone has visited our Website. This allows us, for example, to monitor the traffic patterns of users from one page in our Website to another, to deliver or communicate with cookies, to understand whether you have come to our Website from an online advertisement displayed on a third party website, to improve Website performance and to measure the success of email marketing campaigns. In most instances, these technologies are reliant on cookies to function, and therefore declining cookies prevents them from functioning.

If you don't want your cookie information to be associated with your visits to these pages, you can set your browser to turn off cookies as described below. If you turn off cookies, web beacon and other technologies will still detect your visits to our Website; however, they will not be associated with information otherwise stored in cookies.

Targeted Advertising

Third parties may drop cookies on your computer or mobile device to serve advertising through our Website. These companies may use information about your visits to this and other websites in order to provide relevant advertisements about goods and services that you may be interested in. They may also employ technology that is used to measure the effectiveness of advertisements. The information collected through this process does not enable us or them to identify your name, contact details or other personally identifying details unless you choose to provide these to us.

HOW DO WE USE COOKIES?

We use cookies to:

- Track traffic flow and patterns of travel in connection with our Website;

- Understand the total number of visitors to our Website on an ongoing basis and the types of internet browsers (e.g. Chrome, Firefox, Safari, or Internet Explorer) and operating systems (e.g. Windows or MacOS) used by our visitors;

- Monitor the performance of our Website and to continually improve it, and

- Customize and enhance your online experience.

What Types of Cookies Do We Use?

The types of cookies used by us in connection with the Website can be considered 'essential website cookies', 'functionality cookies', and 'analytics and performance cookies'. You can find further information on our cookies below.

1. Cookies necessary for essential website purposes

These cookies are essential for providing you with services available through this website and to use some of its features, such as access to secure areas. Without these cookies we will not be able to provide services that you require, such as transactional pages and secure login accounts.

Cookie name	Source	Expiry	Purpose
_sharethis_cookie_test_	evercompliant.com	Session	Determines whether the browser accepts cookies.

2. Functionality Cookies

These cookies record information about choices you've made and allow us to tailor the Website for you. These cookies allow us to provide you with our services in the way you have required, as you continue to use or come back to our Website. For example, these cookies allow us to:

- Save your location preference if you have set your location on the homepage in order to receive localized information;

- Remember settings you have applied, such as layout, text size, preferences, and colors;

- Show you when you are logged in; and

- Store accessibility options.

Cookie name	Source	Expiry	Purpose
lang	ads.linkedin.com	Session	Remembers the users selected language version of a website.
lang	linkedin.com	Session	Set by LinkedIn when a web page contains an embedded "Follow Us" panel.

3. Performance / Analytics Cookies

We use performance/analytics cookies to analyze how the website is accessed, used, or how it is performing. We do this in order to provide you with a better user experience and to maintain, operate and continually improve the website. For example, these cookies allow us to:

- Better understand our website visitors so that we can improve how we present our content;

- Test different design ideas for particular pages, such as our homepage;

- Collect information about website visitors such as where they are located and what browsers they are using;

- Determine the number of unique users of the website;

- Improve the website by measuring any errors that occur; and

- Conduct research and diagnostics to improve product offerings.

Cookie name	Source	Expiry	Purpose
_ga	evercompliant.com	2 years	Registers a unique ID that is used to generate statistical data on how the visitor uses the website.
_gat	evercompliant.com	1 day	Used by Google Analytics to throttle request rate.
_gid	evercompliant.com	1 day	Registers a unique ID that is used to generate statistical data on how the visitor uses the website.
collect	google-analytics.com	Session	Used to send data to google analytics about the visitors device and behavior. Tracks the visitor across devices and marketing channels.
_ab12#	sharethis.com	1 year	Unclassified
_gcl_au	evercompliant.com	3 months	Used by Google AdSense for experimenting with advertisement efficiency across websites using their services.
bcookie	linkedin.com	2 years	Used by the social networking service, LinkedIn, for tracking the use of embedded services.

Cookie name	Source	Expiry	Purpose
BizoID	ads.linkedin.com	29 days	Used to track visitors on multiple websites, in order to present relevant advertisement based on the visitor's preferences.
bscookie	Linkedin.com	2 years	Used by the social networking service, LinkedIn, for tracking the use of embedded services.
lidc	Linkedin.com	1 day	Used by the social networking service, LinkedIn, for tracking the use of embedded services.
pagead/1p-user-list/#	google.com	Session	Unclassified.
r/collect	doubleclick.net	Session	Used to send data to Google Analytics about the visitors device and behavior. It tracks the visitor across devices and marketing channels.
test_cookie	doubleclick.net	1 day	Used to check if the user's browser supports cookies.

Cookie name	Source	Expiry	Purpose
UserMatchHistory	linkedin.com	29 days	Used to track visitors on multiple websites, in order to present relevant advertisement based on the visitor's preferences.

How to Control or Delete Cookies

Most browsers allow you to change your cookie settings. These settings will typically be found in the "options" or "preferences" menu of your browser. In order to understand these settings and learn how to use them, consult the "Help" function of your browser, or the documentation published online for your particular browser type and version.

However, please note that if you choose to refuse cookies you may not be able to use the full functionality of our website.

The following pages have information on how to change your cookies settings for the different browsers:

- Cookie settings in Chrome

- Cookie settings in Firefox

- Cookie settings in Internet Explorer

- Cookie settings in Safari and iOS

Third Party Websites' Cookies

When using our website, you may be directed to other websites. These websites may use their own cookies. We do not have control over the placement of cookies by other websites you visit, even if you are directed to them from our website.

We may provide buttons that allow you to share products and content with your friends via social networks like Google, Twitter, LinkedIn and Facebook. These companies may set a cookie on your computer memory. Find out more about these here:
